

Weed Elementary School

March 13th – 17th

What's Happening

Cub Power is excited to host the Staff vs. 8th grade Student Basketball Fundraiser on Friday, March 24th. Layla will be holding a Mini-Cheer Camp led by our own WES cheerleaders next week and they will perform at halftime. This is such a fun event, our 12th as a matter of fact, but hasn't happened since 2019! We're excited to bring back this fun family event. One of the ways we raise money is by raffling off classroom baskets. Each grade has a theme, and you can donate new items for those baskets – **baskets are due to Cub Power THIS Friday!** Check with your child's teacher on the theme for your class basket. This year, we'll have a full-service concession stand. Admission is \$3 for students and \$5 for adults.

Yearbooks are available for purchase online at jostens.com or in the school office for \$20. Orders must be placed by March 1st to guarantee a yearbook. We have sold out the last two years.

Did You Know....

Our new Cafeteria/Multi-Purpose Room will have a beautiful stage for fun performances, outdoor seating for a fresh-air lunch on those beautiful days and a LOT of space for our students to enjoy their meals and make new memories!

Have you ever wondered how schools take "snow days" without having to make them up? Well, we build one snow day into our calendar just in case we need it (usually before Spring Break). We use that day first then apply for a J13A waiver through the state asking that they still pay us for additional missed days due to unsafe conditions or whatever the case may be, providing documentation for review by the state – this year we've had to close for COVID, the Mill Fire and Snow! What a year we've had, but we are CUB Strong, and we believe the safety of our staff and students comes FIRST!

Cub Power

Cub Power is working on some super fun ideas to raise money for Weed Elementary School. Here's some of our upcoming events:

- Mar 24** **Staff vs. 8th Students Bball and Mini Cheerleaders performing at Halftime.**
Apr 29 **Special Someone Dance**
June 7 **Last day of school FUN DAY!**

A BIG "thank you" to Keen Built for their generous donation to help cover the cost of the sweatshirts that Cub Power purchased for our Basketball players who went to the Crescent City Tournament last weekend!

Our meeting that was cancelled due to our snow day, has been rescheduled for Wednesday, March 15 at 4pm in room 10. Join in and help us raise money for our students!

Wellness Center

Make a vision board of the life you want to create. Set goals, dream big, set milestones. You want to find things that you think will help create your vision of your life. It could be finishing your educational journey, traveling to your favorite places, or buying a dream home. Maybe buying a new vehicle or working on your health. Write all these things down. If you can find pictures and paste them on a poster board to remind yourself every day that this is the life you're trying to create.

Life isn't about finding yourself; it's about creating yourself. So, live the life you imagined.
